

RANGE END GOLF CLUB - DILLSBURG, PA

To our Golf Tournament friends:

Welcome to the Annual *Chip in Fore Children* Golf Tournament! We're thrilled to have you here at the Range End Golf Club. Each year, our Global Partners in Peace and Development (GPPD) team looks forward to this day of connection, fun, and purpose.

Your participation directly impacts children and young adults in our Rêv Program in Port-au-Prince, Haiti. Our GPPD Associate, Amber Hasson has faithfully served there for years, offering safety, education, provision, and—most importantly—unconditional love. Despite Haiti's challenges, she continues to raise up young men and women who know God, love Him, and serve others.

Since 2016, when we first committed to care for 36 children displaced by floods and earthquakes we've seen lives transformed—graduates entering the workforce, students pursuing college, and even some launching ministries in Haiti. Today, the Rêv kids remain under Amber's care, and this year two boys came to faith in Jesus!

Over 18 years, this tournament has raised more than \$368,000 for children and projects worldwide, from India to Haiti. Thanks to your generosity—and the support of sponsors, donors, and volunteers—we continue to invest in the future of these youth.

We thank God for the impact of this event and for you. Your kindness and participation are truly changing lives.

With Gratitude,

Jonathan D. Grooms, President
Global Partners in Peace & Development

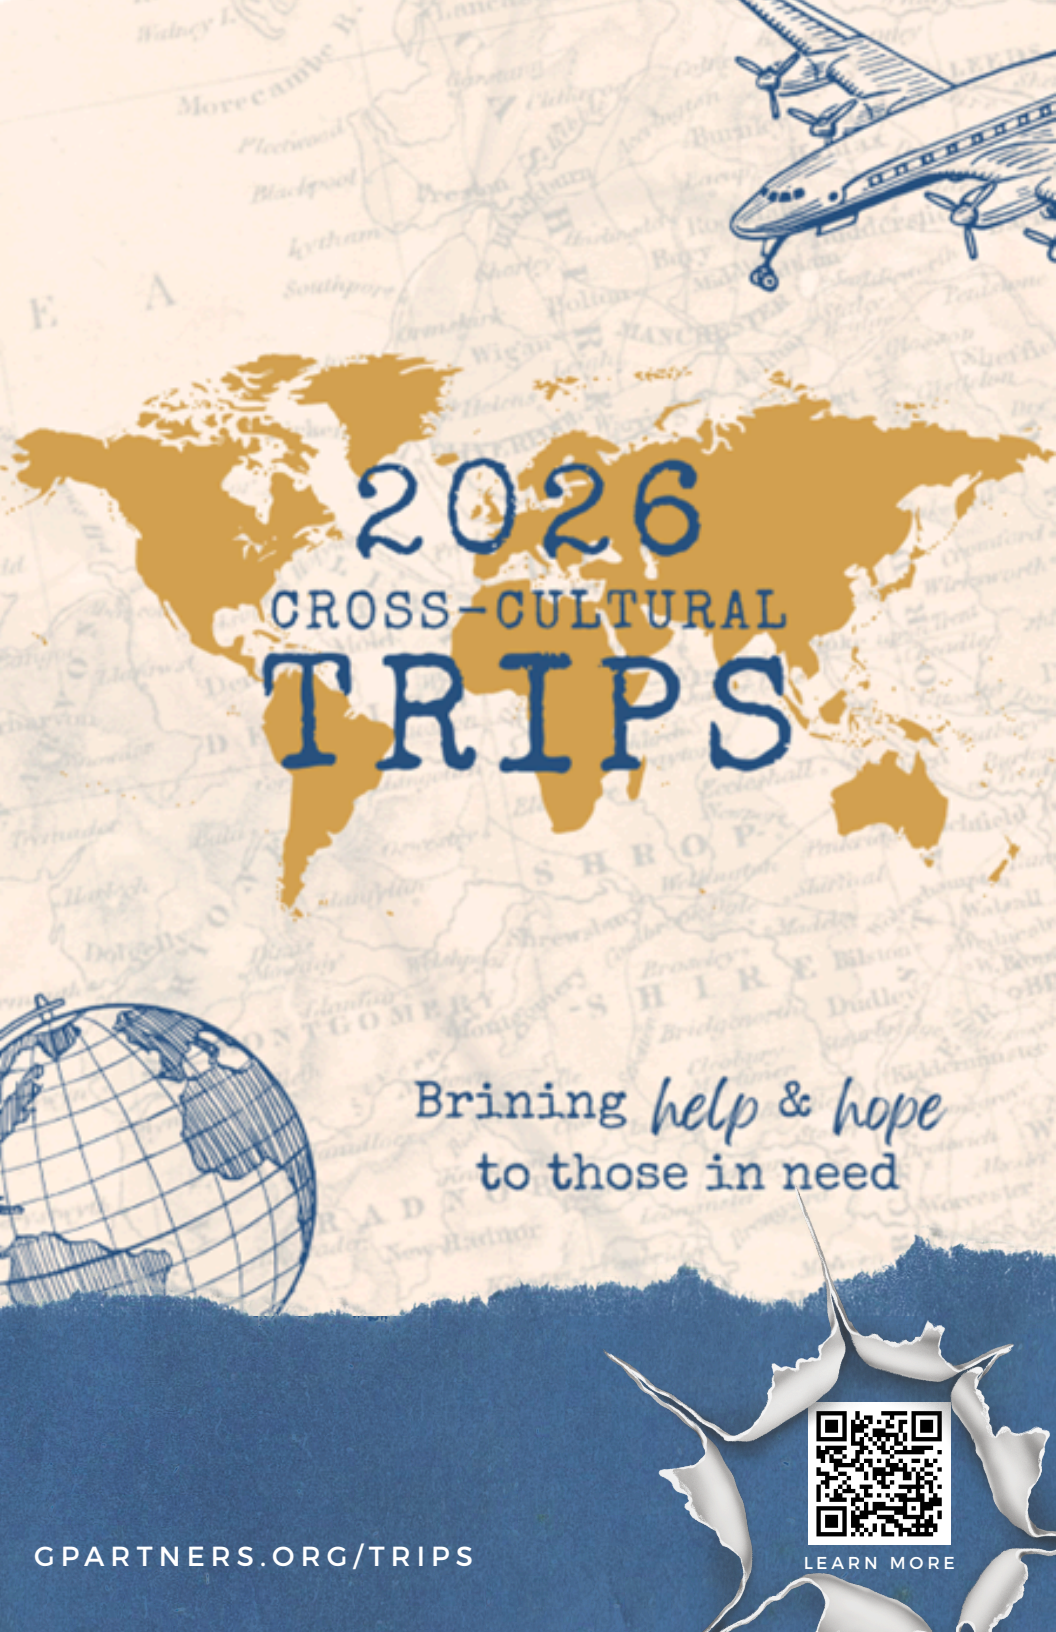

A NOTE FROM AMBER

FOR THE LAST 9 YEARS, WE HAVE WALKED BESIDE A COMMUNITY OF 50+ PEOPLE IN HAITI -- INCLUDING KIDS, STAFF MEMBERS, AND FAMILIES. AS TIME HAS PASSED, WE HAVE SEEN THE HIGHS OF SALVATION, WEDDINGS, BAPTISMS, AND BABIES, AND HAVE EXPERIENCED THE LOWS OF GANGS, LOCKDOWNS, AND INJUSTICES.

AS REV CONTINUES TO AGE AND GROW, WE ARE COMMITTED NOW MORE THAN EVER TO CONTINUE INVESTING IN THIS COMMUNITY OF PEOPLE. THEY ARE NOW THE ONES OUT BEING THE HANDS AND FEET OF JESUS, SERVING HAITIANS IN MANY DIFFERENT CAPACITIES. THE MONEY RAISED THIS WEEKEND WILL GO FAR HERE - AND WILL SUPPORT WITH RENT, FOOD, AND EDUCATION AT REV HOME, AS WELL AS OUR OTHER REV PROGRAMS.

THANK YOU SO MUCH FOR YOUR CONTINUED INVESTMENT IN THE REV FAMILY, AND ULTIMATELY IN THE KINGDOM.

The background is a vintage-style map with various place names like 'Widney', 'Morecambe', 'Blackpool', 'Lytham', 'Southport', 'Wigan', 'Manchester', 'Shropshire', 'Shire', 'Dudley', and 'New Radnor'. In the top right corner, there is a detailed illustration of a four-engine propeller airplane. In the bottom left corner, there is a small globe showing the Americas.

NOVEMBER 9, 2025

Join us for our **10th** year of life-changing impact! When you sacrifice your time and commit to train and raise funds, your effort will pay off by providing a life-giving clean water source. As a runner, walker, or supporter, you'll receive photos, a video of the celebration, and all the village details including the exact location of your well!!

We encourage a fundraising goal of \$3000 per marathon relay team. Visit our website or scan the QR code on the front to get started! Take on the challenge this historic year!

A **special thank you** to SWS for stepping in as this year's catering sponsor - allowing \$2,800 to be redirected from today's tournament costs to our Haiti Programs. This is a massive blessing!

THANK YOU

TO ALL OF OUR SPONSORS, DONORS,

POSSIBLE

TODAY'S CAUSE:

REV HOME

IN 2016, REV HOME STARTED IN PORT-AU-PRINCE, HAITI. MANY OF YOU KNOW THE STORY WELL. AMBER HASSON TOOK OVER A PROGRAM THAT WAS HELPING OVER 40 CHILDREN WITH HOUSING, EDUCATION, AND MORE. SINCE THEN, REV HOME HAS BECOME A SAFE SPACE AND A HOME TO SO MANY. NOW, IN 2025, THERE ARE JUST A FEW CHILDREN LEFT, BUT THE MISSION REMAINS THE SAME. REV MEANS "DREAM" IN HAITIAN CREOLE.

TODAY'S CAUSE:

REV CAFE

IN 2020, THE DREAM OF REV CAFE STARTED TO COME TO LIFE. BECAUSE THE MAJORITY OF KIDS FROM REV HOME WERE NOW FACEING THE TRANSITION OUT INTO THE WORLD, WE FOUNDED REV CAFE TO PROVIDE SAFE JOBS AND COLLEGE TUITION. NOW, REV CAFE EMPLOYEES 12 MEMBERS OF THE REV FAMILY, AND SINCE IT'S BEGINNING HAS EMPLOYEEED MORE THAN 20 AND PAID FOR COLLEGES, TRADE SCHOOLS, AND MORE. REV CAFE IS 100% NONPROFIT.

SPEAKING OF THOSE YOUNG ADULTS - SEVERAL OF THEM HAVE NOW BEGUN THEIR OWN MINISTRIES AROUND PORT-AU-PRINCE. WE ARE HONORED TO COMMIT A PORTION OF THE FUNDS RAISED TODAY TO THESE WORTH CAUSES (AND ARE SO PROUD OF THESE REV GRADUATES)

REV UNITED

Founded by Ludjer, a REV graduate, this club gives local kids much more than athletic training. He prays with them, teaches them about character, teamwork, and dreaming big. He provides a safe space in the middle of the war zone that is Port-au-Prince. The team's motto is "viv rev nou" which translates to "living our dream." Not only that, they're really good. They are continually winning local tournaments and this year were invited to play in one of Haiti's biggest tournaments. Funds that we direct to Ludjer from this outing will go to player fees, food and water, and new equipment.

GRACE FOR HAITI'S CHILDREN

Founded in 2019 by REV graduate Murielle Valme, this Christ-centered nonprofit equips underserved Haitian children and families through equitable access to education, essential resources, and community support. Her compassionate mission fosters dignity and hope through transformational programs. She is currently working to build a community center in one of the more dangerous parts of Port-au-Prince where most of the kids she serves live. Funds that we direct to her from this outing will go directly to that!

THE HAITIAN RUBY PROJECT

Led by REV graduate Jovenel Pierre, the Haitian Ruby Project promotes unity, dignity, and purposeful community-building. Their outreach includes street-cleaning initiatives, recycling efforts, and arts-based programs, all aimed at nurturing pride, stewardship, and service in neighborhoods across Haiti. Jovenel is now meeting with local schools to get students around Port-au-Prince involved in their community programs. Funds directed to Jovenel from this outing will go directly towards their first school-based street-cleaning.
