

Prayer Points

- 1 Pray as Pastor Prasad and his family continue to visit the Koya People each week. Pray the Koya hearts would soften and be receptive to the Good News. Ask God to give his family safety as they travel back and forth, as it can often be treacherous because of rainfall.
- 2 Currently Pastor Prasad is working in eight villages. He estimates there are about 600 villages with 200-300 people living in each village that is situated in the area that God has burdened his heart for. He desires to train non-Koya people to go to these villages until there are believers amongst every village. Ask God to send laborers with a passion to see Koya people come to know God and work beside Pastor Prasad.
- 3 Pray for those who have already chosen to follow Christ (17 and counting!), that they will continue to live a moral life and become discipled. Ask God to do a work in their hearts to be willing vessels and burdened to share Christ with their families and villages.
- 4 Pray for the completion of the Koya Community Center, which will allow for a medical clinic, a place of worship and a home for Pastor Prasad and His family. Land has been purchased, a well has been dug and we are believing God that in 2018 we can build the Community Center.
- 5 Ask God for teachers, nurses, doctors, evangelists and other Indian people to sense God's call on their life to invest their lives into the Koya People.
- 6 Ask God to give vision and strategy to providing better means for them to have food, as they are often hungry.
- 7 There is poor nutrition amongst the people. They are always sick, and many die to sicknesses that could easily be helped. Women often die in child labor, as there is no one there to help them. Pray for much needed medical care, medicines and a vehicle to transport people in need of medical care once the clinic is running.
- 8 The people are uneducated; and therefore it has been difficult to begin discipleship with new believers. Pastor Prasad has a goal to educate at least one to two people in each village. Pray that the future generations of the Koya people would have the opportunity to receive an education.
- 9 Pray for Pastor Prasad's ultimate goal, that one or two people from each village will come to know Christ, and they would be willing to go to unreached Koya villages to share the Gospel and make disciples.
